DETAILED ACTION

1. Applicant's amendments and arguments filed May 04, 2005 have been fully considered and they are deemed to be persuasive.

Allowable Subject Matter

2. Claims 1-7 and 9-17 are allowed over the prior art of record.

Reasons For Allowance

3. The following is an examiner's statement of reasons for Allowance:

Regarding Independent claims 1 and 13, Applicant's particular bridge for coupling a client of a first object type to a server of a second object type, the bridge including a server component of the first object type, a client component of the second object type, a receiving component for a uniform resource locator of the server and for parameter data indicative of the second object type for selection of the second object type client component and a mapping component for mapping of objects of the first object type to corresponding objects of the second object type in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
